The Premises:

One of the Manchester Airport hotels where Sasha had set up herself for the day. No problems walking in as it is busy with conferences and meetings.

The Lady:

Sasha is Paige formerly from Sandys. She very rarely does a day in Manchester so I was lucky to catch her. She's mid twenties, slim, long brown hair, fully shaved and now with new FF tits that she had enhanced late in 2010.

The Story:

If you had seen her at Sandy's it's three times the pleasure seeing her independent. Included in her price is OWO, CIM and Anal. I didn't indulge of all of those this time, but did spend a great hour with one of Manchester's finest.

We started with some some kissing, fondling and playing. This moved onto owo, then onto multiple positions for sex.

I got the camera out and took some stills and some videos of the session.

Eventually finished over her new tits and watched my spunk dripping off the end of her nipples.
