The Premises:

A modern apartment block, about 5 min walk from Chester Train Station. There is secure gated parking within the apartment complex.

The Lady:

Chloe is in her late 20's, Tall, Slim with Long Slender Legs and Blonde Hair; she also has sexy blue eyes and the most incredible natural boobs with erect nipples.

The Story:

This was my first time seeing Chloe and wasn't really sure what to expect, she sounds almost too good to be true, but Chloe was really relaxing to be with right from the start, she is pleasantly chatty and friendly.

Chloe loves her underwear and changed into something she liked (she wasn't the only one who liked it...lol).

I was looking for a GFE and that's just what I got, lots of kissing and oral. Chloe loves to receive oral and the feeling of her feet on my back while I was giving it was amazing; I also found something new to her while I was giving her oral (which she said she liked).

It was then my turn for some oral, something Chloe had been trying to do since I first got on the bed, this girl really does love to give oral.

Then after a lot more kissing, 69 and a very good massage my time with Chloe was up.
