The Premises:

As previously described the flat was a bit grotty on the outside but clean and pleasant inside. On a busy main road about 5mins. walk from the tube. Felt perfectly safe.

The Lady:

Petite, friendly and cute Thai girl in her early twenties. She smiles a lot and is very pleasant company. Her English is excellent.

The Story:

Got a superb Thai massage with a happy ending. She is a very accomplished masseuse and I left feeling happy and relaxed. You can just have the massage for ?50 but I thought I would treat myself to the works.

I'm afraid only HR is offered as a finale but she does it very well. She informed me she only works Mon-Fri but there is another girl working at the weekend.

A very pleasant experience which I'm sure I will repeat.
