The Premises:

Plenty of free parking. Off the street into a discreet foyer. Safe and secluded, just a few people wandering about from the local businesses and cafe next door. Jessica met me at the bottom of the stairs. Offered a drink but declined. Clean bedding and towels.

The Lady:

Jessica is dark haired and dark eyed with a sweet smile and a demure, almost shy, demeanor. Her pics on the website describe the rest of her and they do not lie. She speaks in a hushed whisper.

The Story:

After a gentle massage I turned over and Jessica leaned down and gave me the longest most passionate kiss I have had for a long time. The rest of the session was totally mind blowing - Really good OWO and reverse oral (3 times) interspaced with more incredibly erotic kissing and cuddling finishing with her on top.

Not once did I feel rushed; she even slowed down when I indicated so I did not blow too soon. She was responsive and enjoyed herself immensely. Nothing felt forced or staged. One word ? amazing!
