The Lady:

A very large lady. Size 24? Sorry Sarah if i am a size out.

Enormous breasts and pussy shaved like silk

The Story:

In all my years punting this was my best BJ ever. Very deep to the balls with no hands. Sloppy throat juice and spit everywhere.

She only practices safe sex but will probably say yes to anything else from fisting and anal to bj with swallow.

I was seduced by her sloppy mouth at which she excels.

If you want the deepest wettest bj ever, overlook her size and form an orederly queue down her street, she's that good.

She is one of the few that does what she says she will do and exceeds expectation.If she cant do it she will be honest too!
