### The Premises:

Was a bit concerned as the address was Handsworth. However it was a decent area and plenty of parking on the road.

### The Lady:

I'm not very good at guessing heights but about 5' 3". Shortish blonde hair. For me, perfect figure. (not a stick insect but certainly not overweight).

### The Story:

I contacted Hannah through a magazine. When I arrived Hannah opened the door dressed exactly as I had requested (black stockings, suspenders and a thong) plus a wonderful smile as an added extra! Sometimes you get a feeling about a punt and I knew this was going to be a good one.

Hannah does enjoy her work and this comes across.

Very enthusiastic and a fantastic GFE. Would I see her again? Wild horses won't keep me away.
