### The Premises:

Nice place with a front and back entrance for ease of access. Had a nice chat to the very friendly and helpful receptionist, Susan, which helped pass the time as Sienna was running late.

### The Lady:

I found Sienna attractive, friendly and articulate. She has a fairly lengthy list of services which just about includes everything with the exception of bum fun. I'd say the pictures on the website are out of date and give the impression of a more porno style blonde. I also thought she was slimmer than the pictures suggest.

### The Story:

This was a great way to spend half an hour. Sienna clearly knows her stuff and delivers an excellent service. I was impressed with her OWO skills, which progressed into a nice bout of 69ing. At one point Sienna asked if I wanted her to get a condom, but was happy to accept my request to carry on with more oral. She kisses nicely with a fair amount of tongue, which is an important part of a punt for me.

We only managed cowgirl and doggie, before I couldn't hold out and filled the bag with a decent amount of hot fish yogurt.

Sienna certainly ticks all the boxes for me and I would definitely see her again.
