Lindsey is in her forties with big boobs and a charming, professional and friendly demeanour. Blonde hair and a lovely smile complete the package.

The Story:

I wasn't sure exactly what to expect. We sat in Lindseys 'waiting room' for 10 minutes and had a get to know you chat. I was after BDSM stuff and she asked me some polite questions to gauge my limits etc. I undressed and was led into the domination room where she had the usual array of impliments and a St Andrews cross which I was affixed to. She then proceeded to use a variety of different 'impliments' including a cutting from a holly bush and a freshly picked thistle from the front garden, not to mention candle wax which was dribbled right on the tip of my cock. Before you think this woman is over the top I can assure you that she is supremely skilled and knows exactly how to use all her talents to deliver a sensual experience. I get the impression that if you wanted something in the domination field she could deliver it safely, skilfully and with style. An absolutely fabulous find. Highly recommended.
