### The Premises:

Private flat in a block of 3 floors

Gemmas place was on the top floor and the entrance had a door entry system

The flat was exceptionally clean and the bedroom was also well set out the same

At no point did i feel unsafe here

### The Lady:

Gemma jewel and she certainly is standing at 5/8 and a massive 37/38 pair of breasts

She had just below the shoulder black hair and was wearing the most provocative underwear that was not only sexy but did not leave much to my imagination

She was pleasant and could hold a conversation when my big ben was not in her mouth that is very presentable lady loads of charm and up for it is how i would describe her

### The Story:

The list of does out stretches the list of donts and we did it all as i wanted sex massage ro and finish in missionary

The one thing she insists on is pretection at all time so no uncovered services but she said she would allow cum on tits or ass

so guys give her a try see if you think she is as good as i do

XXX GEMMA J se you again soon
