The Premises:

It was very tidy and clean, Very quite and safely located its close to the paddington and lancaster gate station. From station to her place only about 3 or 4 min, walk. Difinetely its safe place. Because its a flat.

The Lady:

She has a awesome body, and shiny skin its more attractive to give me more sensation of sex. She was very clean and her perfume makes me more expression. its was unpredictable day for me.

The Story:

Very warm welcome me with a big kisses and she was wearing a sexy out fit. And invited me a glass of white wine then consisted me to a hot bubble bath with her excellent owo and foot massage. Second round after the hot bath with another deep throat was wonderful. when i was licked her pussy, she was screaming and say to me liked my pussy more deeper her voice makes me willing to have sex with her. We finish within a few position and she provide me a thai massage. Honestly she looks more beautiful than her photo.!!
