### The Story:

A welcome return from Natalie who took a 6 month rest from this establishment.

Started with a very sensual massage whilst we caught up on old times, before performing a mind/ball blowing session of owo.

Lots of spitting and licking of the balls, before she put the party hat on and we fucked in the doggy and missionary position before unloading in her tight pussy.

Spent time talking to me whilst i got dressed, a no rushed pleasant experience.

Glad to see you back Nat youve been missed
