The Premises:

Small Flat about 5 minutes walk from Bond street tube. Nice and clean. Felt safe. There was the option to shower/bath.

The Lady:

Average looking, Skinny girl who was not the girl in the picture on the site at all. She was approximately 5'4". She told me she was 20 years old, she looked it.

The Story:

I felt a bit alien at the flat, however, I put this down to nerves as it was my first time ever.. I had to start small talk before parting with my cash. She offered me a bath/shower, but I had already taken one prior to attending the flat. Started with protected BJ before changing into various positions. After 15 mins of straight sex I came. She then cleaned me off and I decided to try to find more about her. I chat to her for about 20 minutes before sitting in silence. Although I paid for 1 hour I decided not to stay as I really was disappointed that it was not the stunning girl I saw on the website...
