The Premises:

A terrace house in central Luton with a smelly dog and a horrible bathroom with a shower that does not work properly

The Lady:

I think the pictures are accurate but her breast are smaller in real life.

The Story:

A very bad punt. Did not do OWO and was trying to rush me from the start. OW lasted about 5 minutes then she tried to put a condom on me for sex. I think the whole appointment lasted about 35 minutes and 10 minutes massage at the end. Avoid at all cost.
