The Premises:

Unremarkable terraced house near the overground station. Small bed. Shower works.

The Lady:

Indian looking girl from central europe with olive skin and black hair. About 19 y.o. Tall with a hot thin model type body. B size breasts. Quite pretty. Pix on her web page are accurate.

The Story:

Miriam is a quiet girl with basic English. She says she is from Hungary but I'm guessing from her looks that she has Romani (gypsy) blood. Light fk available and I paid extra for various other services. Hard to tell how responsive she is as I find her type of body irresistible and hence popped after precisely 7 thrusts in mish. Maybe others will manage better. Also met another very hot looking girl by the name of Cindy on the way out.
