### The Premises:

Clean venue and quite discrete with no members of the public around. Easy to park.

### The Lady:

As her photographs and description. Beautiful girl , above average height , lovely kissable body. Like a lot of girls she says that there's a part of her she's not happy with - her boobs - but they are perfect ... in fact they are very pretty breasts ! As advertised , she has a very friendly and welcoming personality that puts you at ease immediately.

### The Story:

This girl is gorgeous. Lots of girls state GFE but this girl delivers ; you never feel less than at ease but , paradoxically ( unless your girlfriend is that good ! ) , in expert hands. She inspired me to return again....and you want it to be so good for her too ! Thankyou , Rebecca - definitely more than a little in love with you :-)
