The Premises:

I have been to Ladybirds on numerous occasions, all enjoyable i must say apart from this one. Place is nice and clean but could do with being updated.

The Lady:

Italian (i think), nice figure, around size 10 and very busty. She looked like a good time girl so thought id take my chances with her.

The Story:

Well she didnt say much to me before i got into the room,i could tell as soon as the massage began that she'd had one to many to drink! Massage was ok and she seems like a nice person from what i could understand of her. Service was sort of good,a bit sloppy and a feeling that she couldnt be bothered at times, wont go into detail but i think it could have been a much better service had she have been sober!! This place has been around for years with a good reputation but will definatley not be seeing her again.
