The Premises:

Flat in a shared house in the Mount Pleasant area of Exeter, flat was vey clean and tidy once inside but Alex was very keen not to let the neighbours know what was going on. On the way out I did bump into one of the neighbours who said hello but must have known what I had been up to.

The Lady:

Alex is a very good loking Brazilian girl, mid twenties, wild hair, small but perfectly formed titties, just over 5 foot tall and about a size 8.

She was not only very pretty but had a great sense of humour as well.

The Story:

This was a top notch punt with an absolutely cracking girl. I am really glad I made the effort and had a shower before I went as she gave me the best OWO that I think I have ever had, including sucking my balls and deep throating the old boy.

When it came to the sex it was a GFE, she is a passionate kisser and the smell of her hair and body was just lovely and fresh.

If she was staying in Exeter I would be a regular but she said that she was only down whilst her friend was on holiday much to my dissapointment.
