The Story:

Every inch of my body's still tingling as I am writing this after my appt. with lovely Alice. A mind-blowing hour indeed of uninhibited, pure GFE fun. Alice's English is not really, however her photos are genuine and she is a lovely person. She wore black leather dress during foreplay and satin red night when we made love as I have asked her. She undressed me teasingly as we stood kissing passionately. The stuff she does with her lips, tongue and fingers are absolutely mind-blowing. I then got on top for a good half hour; us kissing, and moving in unison with each other bodies. Mmmmm. Pure ecstatic delight. She then brought me to heights of pleasure with her tongue, mouth. I give Alice my highest recommendation
