The Premises:

Usual high Annabellas standards, but parking is no longer free so make sure you have 30 or 60 pence for meters.

Size 8 with 34e enhanced tits and gorgeous all over tan (no tan lines!! I checked very carefully). Blonde and brown hair extensions. Very attractive which is the norm at Annabellas.

The Story:

I have been looking forward to this one for some time but have been spending most of my spare dosh on Serena and Mei lately. But here I was waiting for the famous Kandi Sweet to appear and she didn't disappoint. She came in looking demure and gagging for it at the same time. Started by massaging my ball bag for a bit before moving on to excellent OWO. One thing to bare in mind.....she can talk the arse of you!!!! Barely stops for breathe inbetween her skillfull actions. Asked if I lick pussy and when I replied of course she said loudly "Bonus" which made me laugh. She constantly praised my efforts and my manhood stating that I should do porn etc. Which I didn't really believe but still appreciated. She seemed to enjoy my efforts with my tongue and I enjoyed her super nipples and tits at the same time as tonguing her magnificent neat pussy. It was time for a shag so Caitland got the condom and did an impression of a sex doll with it which was hilarious before putting it on me. We did missionary and doggy before I asked for a CIM finish which was excellent. After cleaning up we chatted for a bit about who she thought I would like and who would like me which was nice. I had seen most of the girls she mentioned so I guess she knows my taste quite well. I would recommend her to anyone who visits escorts regularly as a beginner would be scared shitless of her sexual prowess and knowledge of what turns a man on. After talking about some interesting sexual moves she mentioned one called a hotdog, which was to do with a tit wank type move using her butt cheeks instead. This sounded interesting, but made me hungry instead!!! Thanks C for a good time and if you were wondering you just made my new top 3 (Serena, Caitland and Mei) x x x x x x
