The Premises:

A basement flat very close to the Cumberland hotel in Marble Arch.

The bedroom was very clean and comfortable, but the heating was way too hot and a bit uncomfortable.

The Lady:

Jasmine is an Indian/French girl with a lovely, slim figure. Gorgeous bum and shapely b/c cup breasts with large areolas.

The Story:

This was a late punt after a night out. I only wanted a topless relief massage and I saw a phone box card advertising a black girl. I rang the number and went to the address given. I have been there before some years ago. There was a choice of 4 girls and Jasmine was first. The last girl was the black girl and she looked really hot. A lovely dark chocolate skin with a gorgeous, peachy bum. I wish I'd opted for 2 girls now, but I chose Jasmine because I love Indian girls although she possibly may be hispanic.

There was plenty of time to fondle that bum and suck on her nipples and squeeze her soft breasts before succumbing to orgasm.
