### The Premises:

Starter home on corner plot, near Heathrow there is plenty of free parking. Her house is always clean.

### The Lady:

Very nice friendly woman, 5' 4", black hair, nice figure, clean and she is always well presented.

### The Story:

I have seen her a number of times.

The best massage you could wish for 90 mins of intense pleasure She has skilful hands giving a very sensual amazing fantastic massage whilst you're on your front, turn over and it continues leading to a very happy ending.

Various massage techniques are used including tantric, each time I have visited she tries a new one on me.

Guys she never allows touching of her personal parts.
