The Premises:

Place was clean and tidy. On corner of a main road and a side street. Quite discreet but there is a taxi office next door which was still open

The Lady:

See the website for a picture but that doesn't do Chloe justice. Was wearing black lingerie, stockings and heels. The other lady working looked good but Chloe is simply stunning

The Story:

One of my all time best punts. Chloe stripped to the stockings and heels for an ok massage. No rush at all. Oral was probably one of the best i have received and nearly took me too far. I was rock hard in seconds. Finished with sex in mis and from behind. Highly recommended
