The Premises:

Cherries is a private parlour at the top of greenbank road allerton in Bradford

The place is discreet with a church facing it with a large car park, however on road parking is quite safe and at no time did i feel unsafe.

The building is on 3 floors to the top rooms and though clean the rooms seem to be adequate for their purpose

The Lady:

Hannah is of i would say west indian or caribbean descent she is tall very leggy and has a great bust

Hannah has long black flowing hair down to the middle of her back and a beautiful ass that you can not help but notice perfect model shape in every way shape and form and a very lovely girl to she is very gorgeous and gives you the ultimate attention you are seeking.

The Story:

Hannah took me to the attic room at the top of the building there was at least 4 girls working but Hannah struck my attention right from the start

Having settled face down i had a great back and front Massage followed by me giving Hannah a little oral and she made all the right noises for what i was doing down there

she then returned the favour to me and i finished myself off whilst she put on a fringing show for me all in all exactly what i wanted

Hannah is a great girl and knows her work well i had a cuppa when i returned to the lounge then left with another visit in mind.

Thank You Hannah Love Chef
