The Premises:

A very smart and spacious apartment in a safe area, only a few mins walk from the nearest Underground station. Shower facilities are available.

The Lady:

Izabel looks exactly like all the photo's on the website, brunette hair, around 5'7?, size 8 with breasts although not large you cannot stop sucking. Izabel is very friendly girl, who speaks excellent English, who likes guys who are smart and clean, and in return she will offer the true GFE.

The Story:

The meet was not rushed, we started by having a chat whilst i showered and she proceeded to tease me by playing herself whilst chatting (think that's what you call multi-tasking!!). As Izabel is a very intelligent and bright girl she can hold a conversation on most subjects. Having dried myself off we then proceeded to have an intensive DFK session in front of the mirror for what seemed like minutes before hearing the immortal words "Shall we move to the bed?... not a tough one to answer !

I will not go into a lot of great detail on what followed, however Izabel does like to try numerous positions some of which we could see each other in the mirror. One thing that does stand out is her "use" of cold water. She took a mouthful of iced cold water and then proceed to slowly dribble this onto my dick and also then give a great BJ. It must be something about the "Hot&Cold" thing, because the cold water really made me jump, however it more than had the desired effect, and kept me going for the remaining 40 mins of the meet. Everyone must try it !!

I was then ordered to return the favour, with Izabel playing with herself, and then just before the finale she gripped the bedframe as if her life depended on it, let out a large scream and came all over my fingers and hand.

So in summary, positive is an understatement! Izabel is such a sexy and intelligent lady who just

makes you feel special, Offering one of the best GFE, with satisfaction guaranteed.

I will be back again, and again.... and again !
