The Premises:

Good clean house which was clean and nice and warm on a cold afternoon.

The Lady:

Nice looking girl around 5'8" tall, very curvy roughly a size 10. Great tits and nice firm ass. Dark skinned.

The Story:

Opted for ?50 service. Knocked on the door and it was opened quickly, nervous as to what to expect in appereance. Was pleasantly supriised with her look and body.

Got inside and was shown upstairs. She was wearing some sexy underwear and looked nice in it. ?50 got me some OWO (good technique) and COB.

Sex was on offer but I just wanted the BJ. Very friendly girl who can talk for England.

Worth a punt but I wouldn't go again as I had a suspicion someone was in her other room and made me feel slightly uneasy (could've been nerves on my part)

2 Days after my punt I got a very strange text message from her telling me to bring her camera back that I had supposedly stolen and that her boyfriend was going to beat her up if it wasn't returned. Now I never stole anything and text her to tell her so. Later on got another text saying it had been found in her house. Very strange ending. For this reason I wouldn't go back.
