The Premises:

Patricia has recently moved from Conway which is the location given on her Agency's website. She is now based in a small block of flats not far from Juncti 18 on the A55. Parking (just outside the front door) is secluded and quite safe but take care entering and leaving as access is tight. Her flat is, of course, well kept, clean and tidy. Shower available.

The Lady:

See the Agency website which is very accurate.

The Story:

This appointment was arranged at very short notice, but Patricia was ready for me - short silk gown, soon taken off to reveal basque, black stockings, heels, etc.

I have seen Patricia quite a lot over the past 20 months and so we know what turns each other on. In fact it gets better each time. This occasion she had not been fucked for a while and so was very much ready for it. I had scarcely got my jacket off but she pulled down the top of her basque to make her tits available for me. Shirt off and she was down on her knees sucking my cock hungrily. As she did so she managed the feat of getting the rest of my clothes off without removing my cock from her mouth.

Then straight on to the bed for some serious sucking, masturbating and fucking with both of us enjoying a variety of sexy practices we have discovered on our times together that we best enjoy but which remain a secret between us.

All too soon it came to an end with me cumming inside her cunt in a great climax. Another glorious encounter with a lovely sexy woman.

Strongly recommended!

Thanks again, Patricia. I'll be back!
