### The Story:

After being shown to the room I had a quick shower before Chelsea came in and then we started off lying next to each other touching & stroking each other & chatting about the "do's & don'ts" and extras we started with me going down on her & licking her pussy for a while,(I could have done this all night but sadly I didn't have all night), then she gave me some great OWO which nearly made me blow my load there & then so she stopped & got a condom out and we had sex starting with me on top then onto doggie and I couldn't hold on any longer & blew my load inside her. Chatted a bit more while I got dressed, I paid up & left with a goodbye hug & kiss and I left a very happy guy!! Thanks babe xxx
