### The Story:

I've been punting for about 8 years now and think its time i started sharing my experiances with other people. I'dve liked my first report to be a positive one but unfortunately this one was doomed from the start. I called Sandra to book an appointment for 1pm the previous evening, recieving instructions to call when i arrived at Paddington. I'm guessing it wasn't Sandra i spoke to as when i called back upon my arrival at Paddington she had no idea about our apooointment. I was told i'd have to wait till 2pm, which annoyed me but i didn't mind at the time as we all make mistakes. I met Sandra at 2pm outside the flat and was shown inside. We undressed, giving her breasts allot of attention. She gave me a covered BJ and climbed ontop. Sandra is a very sexy girl and i didn't last long, so she gave me a back massage. This is where things started to go wrong. Her phone rang during the massage and someone also rang the door. Rather than ignore this and pay attention to her customer, she answered both. When i turned over and everything seemed very rushed. We never spent more than a minute in any one position and after what only seemed like 10 mins, she took the condom off and basically commanded me to finish on her breasts. All she seemed interested in doing throughout was getting the job finished and getting me out as soon as possible, not giving me the chance to fill the full hour that i had paid for. I won't be going back.
