### The Premises:

Milton Keynes Escorts have a ground floor flat in a very safe area with easy, reasonably priced parking nearby. The room was very comfortable too.

### The Lady:

Katie is an attractive girl, tall, very slender and toned. I saw her recently after a fair while and she is even more so now. She has a terrific petite figure with beautiful breasts.

### The Story:

It is quite a pleasure to look at her but, in spite of the obvious attractions, the main thing about Katie is her personality. She exudes a calm warmth and is so considerate. The word punt is totally inappropriate somehow for such a wonderful experience. I would urge all those who are more used to larger girls to try someone different ?Katie. Her lightness and flexibility will have an obvious appeal to those who enjoy more adventurous positions.
