The Story:

For some reason I've only just met Fallon, but I was not dissapointed, which I often am when I change from my regular girls.

This was a very raunchy and rude experience.

She treated me very badly and I enjoyed every minute of it. This was a completely new experience for me, one I won't forget in a hurry and will try to repeat very soon.

It's a real dilemma for me as I now have three great girls to choose from at Brooklyn's.

In the words of The Governor of California;

"I'll be back"

Thanks.X
