The Premises:

Rather a nice flat 2 mins from Marble Arch Tube. Very safe area, clean flat, good bathroom.

The Lady:

Slightly taller than your average Thai girl, nice legs, big tits, and smooth skin. Looks and feels younger than she is. Lovely smile and very friendly manner. She has crooked teeth but that adds to her charm as far as I'm concerned.

The Story:

Started with a bath by candlelight that lasted about 15 mins. Thereafter everything on her list of services was delivered with enthusiasm - dfk, owo, reverse o, deep deep A. She struck the right balance between keeping things going and responding to what I wanted. Some Thai girls go through a routine and get disconcerted if you don't follow it. She was adaptable and responsive to what I wanted. She also seemed to respond well to my attention - she got wet quickly. Quite talkative with fairly good English. She ranks with the best.
