The Story:

Was very glad to speak with reception lady, which seems to know a lot about ladies and been really honest! So, I've been advised to visit this young lady. What can I say, great looking, very friendly. The hour passed far too quickly. OWO was excellent! After we had sex with different positions. She told me that she likes from behind, so I took her from behind whilst standing which was very sexy! CAM on the body from behind, could keep longer. Been offered A-level for extra money. But maybe next time, didnt have any extra money on me (was planning to see in a hour time another lady with discount from agency, for seen two ladies in the same day).

I was extremely pleased with her service and her look! This is the girl which must be seen!
