The Story:

I'd already been to Britishbabes an hour previously to meet both girls and chosen Jade first (see earlier fr). Within half an hour, my cock was twitching again at the knowledge that these two hot girls were available and within short walking distance.

At first I was a bit disappointed because unlike her mate, Louise doesn't kiss. Very quickly that was all forgotten though, because she does everything else so well. Her OWO was one of the very best I've ever had, especially because of the eye contact.

Sex was fantastic. She seemed to love being fucked hard, saying all the right things and making all the right noises. Louise knows exactly how to deliver what a guy wants.

All things considered, this was a great punting afternoon. Thanks girls, you made by day and hopefully we can do it all over again soon!
