The Premises:

Location is flat above some shops, access via a very muddy side alley. Also had to avoid a delivery truck off-loading at the time.

Inside was clean, warm and tidy.

The Lady:

Tall slim redhead, nice perky boobs and dressed in black lingerie with a gothy vibe.

The Story:

As soon as Autumn walked thru the door, she wrapped her arms around me, pushed me on the bed and snogged me to death. As starts go this was pretty good. What followed was oral (uncovered), sixty-nine, then shagging in cowgirl, doggie and mish. Plenty of eye contact and snogging throughout.

An excellent punt.
