Polish, 5'8, late 20s, dark hair, slim and good looking.

The Story:

This session was mild domination + HR. A range of implements is available: a crook-handled cane, a long leather whip and a pink leather strap with a heart on it. On this occasion they weren't in 'room 2' as they usually are, they needed to be collected from downstairs.

Sheila wore nice underwear, black tights and shoes. She said she doesn't do verbal domination because she can't keep a straight face! I do like getting a good kinky smack and she certainly managed that at a 'mild' level. HR was good and successful. Good body to body work too. She has a good figure and is warm and friendly conversation.
