### The Lady:

Trisha greeted me at the door dressed a basque stockings and killer heels, her body is to die for, with stunning legs, and big breasts which were just held in the basque !!

### The Story:

trisha took me thru to the bedroom, which was very nice and clean, once in there, her hands were all over me, my cock was rock hard, and we started kissing, which she is fab at, she is so hot and sexy, i was soon undressed and she started giving me a blow job which was fantastic, and her tongue was magical round my balls, and boy did she make me cum !!!! this is one horny lady.

it was my turn to lick her pussy which was fully shaven and tasted divine, and boy does she like her pussy been licked with minutes she was squirting all over my face, and does she squirt !!! it was more kissing which was very passionate, and then i entered her with her stocking clad legs wrapped around me which felt fantastic, and she pulled me deep inside her, and she just kept cuming and cuming for ages, and kept the pleasure going and going, trisha gives her all and i will return very soon,
