The Lady:

Joanna is absolutely gorgeous. Mid 30's, I guess. She really keeps herself trim but has a figure to die for and just so sexy. Knock you over with a feather!

The Story:

I've seen Joanna for many years so we always take time to catch up - had not seen her for over a month so no rush over a drink to start. She used to be in Southampton (Lady Catherine's Affair). Down to the action and she does not hold back - sex in all positions with great orgasms for us both with help from tongues and so on. Well over time but that was OK. Such a naughty GF you have to go back for more!
