The Premises:

Well known ground floor flat clean and safe room a bit cold to start but Mei switched the heater on and it soon warmed up

The Lady:

Just as good if not better than her photos petite and nice firm boobs with big nipples.

The Story:

Made an appointment but was a little early but by the time I'd been to the loo (hour and half motor bike ride to get there) Mei was in the room ready sorted out the money and straight to business. Mei is good at what she does with me it was straightforward sex nothing weird. Kept going as long as I could but in the end could hold on no longer. After Mei cleaned me up (which is what I like about oriental girls) and for the time remaining gave a massage which I enjoyed.

Would thoroughly recommend Mei to anyone.

Thanks again Mei
