The Premises:

Modern but rather austere apartment on a main road. Close to Chancery Lane Tube and on bus routes. I was able to park in the street for free at this time of evening.

The Lady:

Attractive and accomodating Indian girl. Good figure with raven black hair. The pictures on the website are accurate.

The Story:

A very pleasant and seemingly unrushed session. Reema has a nice personality and speaks good english. We had sex in a number of different positions before I climaxed.
