The Premises:

Rather dowdy flat over a shop on Woolwich Road, just off the approach road to the Blackwall Tunnel

The Lady:

Japanese girl of about 30 years old. About 5' 5" tall, slim but suprisingly curvy with good breasts and a nicely proportioned bottom, especially when approached in doggy. Long dark hair and a pleasant personality.

The Story:

I last saw Yoko several years ago when she was working at the now defunct branch of Tickle's in Eltham. She was just as friendly and accomodating as before. She has a surprisingly succulent body. We had an unrushed session with sex in several positions culminating in a very pleasant climax.

Strongly Recommended!
