### The Premises:

Alisa came to my hotel this time, in the past I have been to her flat which is very clean in a good location near Warren Street.

### The Lady:

Alisa is stunning, the photos on her website are nice but she is so much more naturally beautiful in person.

### The Story:

Every second spent with Alisa is amazing, she is gentle and offers a full service except A, which ain't my thing anyway. The exact details are going stay between us but I can't imagine anyone being disappointed after seeing this amazing lady.
