### The Premises:

location budget hotel near station

Easy entry, elevators before reception, she texts you the floor, then the room number.

Very clean room, excellent shower, towels a bit "used".

### The Lady:

40s, blonde, had kids, shaven, large breasts.

### The Story:

I Undressed, had quick shower, sat on bed, Kitty, kneeling immediately started sucking my cock, came up for kissing, nipples, French and back to balls, a little rimming and then sped up on to a snowball completion.

40 pounds for bbbj/cim is excellent value.
