The Premises:

Nice clean flat in a large fairly newly built block close to the station, shared with a few other girls. The block is large enough that comings and goings must be pretty anonymous. They've just replaced the beds too.

The Lady:

Lovely brunet 19yo petite little size 6 Polish girl, can't be more than 5' tall without her heels. Always smiling, often laughing, with a silky smooth body. Very good English for an EE girl, she's been living here for more than a year now.

The Story:

I've seen Suzi a few times now and I can't recommend her highly enough, in fact all the girls I've seen at this flat have been good... it's about time I started writing them FRs...

On this occasion Suzi greeted me at the door wearing denim hot pants, a sexy top and long white socks... looking as gorgeous as ever. After the money was out of the way, she offered me a drink and a shower.

After a quick shower we got down to business... a real GFE with plenty of DFK, OWO, RO and protected sex in various positions. She's always smiling, is very affectionate and responsive, and has a slightly quirky personality too... think Amelie from the film of the same name... very endearing.
