The Premises:

Small flat shared with another working girl, off Sussex Gardens. Didn't try the shower.

The Lady:

As per photos which are authentic. Slim petite good looking girl about 20 y.o. who looks Indian/pakistani.

The Story:

Candy (aka "petite exotic teen") is a Romani/Gypsy girl from Hungary who looks 100% indian. Her english is not great but she is friendly, enthusiastic and gives the impression of enjoying herself. I paid for a variety of extras but her basic price of ?60 for 30 minutes is excellent value.

Weird that I've gone ten years of punting without meeting a single Romani girl. And now two in a row (see recent FR for Miriam).
