The Premises:

basement flat - not the best kept but sufficient for purpose. Area is fine in daylight and fairly sure that evenings would be ok too - within easy reach of the station

The Lady:

dark haired beauty, long wavy hair, 34B and would guess at 5'8" Hungarian. Not the most talkative but pleasant and very accommodating

The Story:

a great 30 minute punt that ticked all the boxes. Good OW, plenty of touching, no FK but excellent responses to all other touching, kissing and smooching. It genuinely felt like she engaged with me - although it is her profession - and treated like royalty.

Great sex in most positions and did not feel rushed.
