### The Premises:

Nice discreet parlour very clean in a good area.

### The Lady:

Two beautiful young english blondes. Pictures and descriptions on the website. When I was introduced to the two of them I thought it'd be good to have them together. Chantelle is a tall and busty blonde and Jennie is a petite, firm and slightly younger. They certainly made a pretty picture next to each other.

### The Story:

Both very friendly and they obviously enjoy their work. They started with a back rub and some teasing and flirty chat, they picked up on my eagerness though I made it quite obvious. Turned around and they stripped naked. Took it in turns to suck me off, Jennie really enjoying herself doing that whilst Chantelle sat on my face and brought herself orgasm whilst I licked her pussy and squeezed those amazing titties. I then pounded Jennie's pussy doggy style all the while Chantelle laid back and played with her pussy and shouted encouragement, Jennie felt great as I fucked her harder and faster, this went on for ages, felt like I'd gone to seventh heaven. We then switched condoms, and I took Chantelle in missionary, at her insistence as she wanted to see me, shagged her really teasingly taking advantage of her sensitive pussy and her reactions, then pulled her legs over my shoulders so I fuck her deeper, Jennie slapping my ass and then I came in Chantelle.

Two lovely girls who work really well together. If I had more money to spend - like some huge lottery win - I'd probably stay in Samanthas all day, trying out different combinations of girl. Maybe one day.
