The Story:

Visit was arranged purely to satisfy one or two fantasies that us men have in our minds, and all, and more, were completed perfectly by these two beauties. I'd arranged one girl to arrive at 12 pm and she went straight to work on my list, and me performing w/s and her also providing the w/s was fantastic, along rimming and all the other normal stuff were all performed perfectly. 2 pm, girl number two arrives, and was just blown away by here beauty as well, and not being a replica of the first two hours, coz that would have been boring wouldn't it ?? Again, reverse oral, reverse w/s but no rimming this time, but all in all, fantastic !!!
