The Premises:

We met at Morgan's nice well kept house in a good safe residential area. Everything is spotless.

The Lady:

Morgan is a very fit, toned, mature lady, with dark hair. Always well presented and dressed in nice clothes.

The Story:

As I had only met Morgan before at a party I decided to meet her on her own for my birthday treat.

We made the arrangements by phone and e mail, Morgan always replies to these type of communications.

On arrival I was offered a cup of tea and we started off having a longer than should have been conversation about clothes, stockings and lingerie, before I had the pleasure of following her upstairs.

As requested, Morgan was dressed in business attire, with a hint of the 50's. A very tight figure hugging black skirt, blouse and tailored jacket, with sheer FF stockings and red stiletoes. It was a pleasure just watching her climbing the stairs. Once in her boudoir things came off to reveal a classic 8 strap suspender belt, black silk pants and a black retro cone bra, in keeping with my 50's theme.

She soon had me hard with her oral and I enjoyed the pleasure of her climbing up on top, I soon came.

After a chat and recovery time there was more oral and I finished off over her lovely firm breasts. I left happy, much later than I should have done but Morgan is not a clock watcher and likes to provide a very professional satisfying service, which I hope to enjoy again, before too long.
