The Lady:

Accurate pictures, very pretty girl, lovely smile, tanned smooth skin (not orange like some) and a gorgeous body. The perfect little package in a tight teen body.

The Story:

This perfect little package fired me up from the moment she opened the door in a skimpy little number and I had trouble keeping my hands off her. She has a great attitude, coming across as sweet and cute, but is a real minx when she gets going and very sexy with it. I could have happily kissed and played with her for the whole booking until she offered to return the favour with some excellent oral, keeping great eye contact until I couldn't hold back any more and got her to ride me cowgirl so I could admire those gorgeous tits bouncing up and down while looking into her beautiful face as I shot my load clasping her tight bum cheeks. I am sure she enjoyed it too as she was very wet and gave a little shudder. She must've because she initiated round two and quickly got me going me again for some frantic and hot doggy until I exploded again while playing with those gorgeous tits and admiring the view of her sexy bum pumping back and forth. Overall a fantastic punt and great vfm with a sweet but hellishly sexy girl.
