The Premises:

Small but tidy flat near Baker Street - comfortable bed, small basic bathroom but clean and the flat felt safe and comfortable. Claudia mentioned that she is moving to a new much more luxurious flat in Gloucester Road in the next few days

The Lady:

Claudia has classic Latino looks and is as beautiful in real life as her pictures (which are apparently brand new). She has a fantastically fit and toned body (and knows how to use it to bring maximum pleasure). Her picture with Angel-wings had me picking up the phone to Viva immediately to make a booking - she is quite simply beautiful and one of the sexiest women i have ever seen.

The Story:

Claudia clearly loves sex and has not become at all jaded by her work. From the moment i walked thru the door she made me feel completely at ease and aching with anticipation at the same time. She offered me drinks, chatted with me in an unaffected way and quite soon was peeling my clothes off me! What followed was the most awesome hour of sex action that i have experienced for many years - she absolutely sucked me dry and left me quivering with pleasure (no exaggeration). Every conceivable position, every oral variation, this girl is the ultimate sex-kitten to gratify all your senses.
